Do you have an employee, child, or loved one who you think may be struggling with an undiagnosed emotional or drug-related problem?

Help starts with a thorough, quality evaluation.

- Comfortable, relaxed testing environment
- 12 Years Clinical Experience
- Licensed Mental Health Counselor, #9953
- Certified Addictions Professional, #3199
- Substance Abuse Professional (SAP) qualified to conduct Dept. of Transportation evaluations
- Onsite drug testing analyzed by a forensic lab
- Normed tests designed to detect defensiveness and subtle signs of a disorder
- Evening & weekend hours
- Private pay and insurance options
- Detailed report available within one week
